

GUEST DAY TOURNAMENTS

Guest Day tournaments are a fun way to play golf with women from VHCC who are not WGG members as well as with ladies from other clubs. With a few exceptions, a Guest Day tournament is scheduled once per month. Each WGG member may invite up to three guests per Guest Day. However, any WGG member is welcome to participate in Guest Day tournaments without having an invited guest.

All players must have an established 18-hole USGA Handicap Index. An 18-hole Handicap Index of 40.4 is the maximum that may be used to calculate each Guest Day tournament player's course handicap.

Participating members must register via ForeTees or by calling the Pro Shop prior to 9:00 am on the Friday before the tournament. Members may form their own playing group or join with an unfilled group. Except for an emergency situation, a member who cancels or modifies her registration after 9:00 am on the Friday before the tournament will be charged the full entry fee.

Tournament entry fees are \$32 per player (including breakfast, snacks, lunch and sweeps) and will be charged to the member hostess' VHCC master account. There are no greens fee charged for guests during this tournament. However, regular cart rental fees do apply.

Occasionally, a Guest Day tournament must be cancelled or modified due to low participation, inclement weather or other unforeseen circumstance. In these cases, the decision to cancel a regularly scheduled Guest Day tournament or to modify the format will be made by the Guest Day Tournament Chair before 9:00 the preceding Friday morning. Notification of cancellation or change to the tournament format will be made by email to the member.
