

WGANC HANDICAPPING SYSTEM

Members of the Valley Hi Women's Golf Group are handicapped through the Women's Golf Association of Northern California (WGANC) by the Golf Handicap and Information Network (GHIN), a computerized handicapping system that is in accord with the United States Golf Association (USGA) Golf Handicap System as set forth in the USGA Handicap System Manual. (Details available on the USGA website.)

A player may obtain a GHIN number by contacting the Valley Hi Country Club Pro Shop.
