

## WGANC OPEN DAY COMPETITIONS

WGANC provides many benefits to its members. One of these is the opportunity to play at other WGANC member clubs through its Open Day program. This is where WGANC clubs open their courses and hospitality to all WGANC members for merely the cost of food and golf cart – no greens fees! It's an excellent way to experience courses you might not normally have an opportunity to play and meet members from other clubs.

### **Eligibility:**

To be eligible for participation in an Open Day, a player must be an amateur golfer and have a USGA Handicap Index of 40.4 or less using the revision date posted on the Open Day flyer.

### **How to Participate in an Open Day:**

1. All Open Day opportunities will be posted on the bulletin board in the Ladies' Locker Room at least 4-6 weeks in advance of the play date by the Open Days Chair.
2. You may sign up on the appropriate Open Day listing. Please complete all information requested before the closing date.
3. All accepted entries will be notified no less than seven days prior to the event. In the event of oversubscribed fields, entries will be equalized by clubs and then a blind draw for places will be made.
4. The entry fee for Open Day includes player fees, food and carts/caddies as specified on the posted flyer.
5. A player who cancels without a substitute after the published cancellation date will be billed for food and cart. She may play in subsequent Open Days only when payment has been received by the Director in Charge.
6. Any player who does not cancel (no-show) will be billed for food and cart and will be ineligible to play in any Open Day for six months from the date payment is received. Players may cancel by calling the Director in Charge or the Pro Shop of the host club only on the morning of the Open Day.
7. Unless otherwise stated, the event tee time is for a shotgun start.
8. Players adhere to the host club's dress code both on the golf course and on the club premises. Dress code adherence will be enforced by the hosting ladies' golf group and/or the club Pro Shop.
